

Protect Student Belongings With ReturnMe

Help schools, colleges, universities, and alumni programs give students, staff, and graduates a practical branded gift that protects the items they use every day.

01

Built for Everyday Student Life

Protect backpacks, laptops, phones, keys, wallets, and the items students carry across campus every day.

02

A Gift With Real Use

Give students, families, staff, and alumni something more practical than another generic school promo item.

03

School Pride That Travels

Keep your school brand visible long after orientation, alumni events, donor mailers, or campus campaigns are over. Great for school sports teams also!

Perfect for Education Industry Campaigns

ReturnMe is a practical branded gift for schools and universities looking to give students, alumni, donors, and staff something useful, memorable, and long-lasting.

How ReturnMe works

A simple lost-and-found recovery service behind every branded product.

1 Activate

Activate your unique tag ID# online with your contact info in less than 30 seconds.

2 Attach

Your luggage, keys, laptop, headphones, or anything you don't want to lose.

3 Relax, we're on it

If your lost item is found, ReturnMe connects you with the finder or helps arrange shipping from anywhere in the world.

Trusted by Leading Schools & Universities

ReturnMe products have been used by major automotive brands, dealerships, and service providers looking to deliver practical value and memorable customer experiences.
